TALKING ABOUT GENDER PERSPECTIVE  
AFTER #METOO

THE FEDERATION OF  
MOTHER AND  
CHILD HOMES  
AND SHELTERS

# #metoo in Finland

- Female actors brought the harassing behaviour of two famous movie directors into the public  
-> visible nationwide debates
- Women dating or working with a famous musician did the same -> the musician was fired from a tv-show and a musical
- The Finnish Student Sports Association made public a serious case of sexual harassment at the European Universities Games
- 45 % more sexual harassment cases reported to the police in Helsinki during the 1st half of 2018, altogether 292 cases

# Actions taken by authorities

# Actions taken by NGOs and researchers

- NGO Parallell Report on the Istanbul Convention in May
  - \* Together with 13 NGOs
  - \* 48 recommendations
- IPI report: Online harassment of journalists is gendered
- The Finnish Center for Integrity in Sports sends out a questionnaire of sexual harassment to sport clubs
