

Pesäpuu ry **20** vuotta

Tekoja - Rakkaudesta lapseen

Listening children and young people who have experienced violence

Stop the backlash – stop domestic violence

Onni Westlund

Helsinki, 27.11.2019

Background:

- Federation of Mother and child homes and Shelters, Finnish National Institute for Health and Welfare & Pesäpuu ry have organized three youth forums for young people who have experienced violence.
- Majority of the participants have had experiences living in substitute care.
- Experts by experience have been working alongside professionals.

Feelings are okay

Break the culture of silence

Listening and hearing children and young people

All the good in our lives

Thank you!
